Epson UK Print Academy

</tbody>

Dates: 5th September, 24th October & 25th October 2007
Location: Hemel Hempstead, Hertfordshire

Dear Jeff Lawrence,

Your Epson printer is designed to print stunning images.

To ensure that you are getting the best possible results, we invite you to join the Epson UK Print Academy. This training is ideal for serious amateurs and professionals looking to get the most from digital imaging and who want to produce supreme quality prints on various types of paper. The training covers the basics in photo and film scanning progressing to more advanced topics such as colour management and ICC profiles. Attendees should have a good basic knowledge of Adobe Photoshop or similar image manipulation software. A full agenda is attached please [» click here](#)

At the end of the training there will be a hands-on session where you will have a chance to view a selection of printed Epson media, printers and image viewers and have the opportunity to ask questions. The cost of the course is just £56.40 (which includes refreshments and a light lunch).

The course will run between 9 am and 2 pm on the following dates at our Headquarters in Hemel Hempstead, Hertfordshire.

- Wednesday 5 September
- Wednesday 24 October
- Thursday 25 October

To reserve your place, please contact our training administrative team on **08702 417251** or email enquiries@epson.co.uk; and request a call back. Places are limited to 30 per day, so please act quickly to avoid disappointment.

Regards,

Epson Print Academy UK Training Department
